### **INSURANCE ESTIMATE**

We do our best to provide you with accurate insurance co-payment estimates. However, our estimates are based on generalized information provided to us by your insurance company. This information is NOT a guarantee of payment from your insurance company. Your insurance company will determine coverage only upon receipt of a claim. Any co-payments collected are an estimate per the information given to us by your insurance company. You may still have a balance even after the insurance has paid due to limitations and exclusions. By signing this you state that you understand this and have asked any other questions that you may have.
